## Surface Respraying

We respray kitchen doors, drawers, and worktops in modern, durable finishes. PVC doors and windows can be colour-changed inside and out. Backsplashes get a sleek, uniform look, and even furniture like tables and wardrobes can be refreshed. It's fast, affordable, and built to last.

## Surface Wrapping

We wrap worktops, backsplashes, and cabinet doors in stylish, durable finishes — from realistic wood grains to sleek marble and matte textures. It's a mess-free makeover that's heat-resistant, waterproof, and budget-friendly.

## Bespoke Carpentry Services

Enhance your kitchen or living space with our tailored solutions. We can add extra storage presses, replace worn kickboards and worktops, or update old cooker hoods for a cleaner, modern look.
