Bathroom Wall Tiles Respray or Wrap

Make Bathrooms Look New — Without Replacing Them.

Update your bathroom walls quickly and affordably. Choose respray to refresh old tiles with a clean, waterproof coating, or opt for a vinyl wrap for a modern new look. Both options are fast, durable, and mess-free alternatives to full renovation.

Bath Interior and Exterior Respray

Restore both the inside and outside of your bathtub with our expert respray service. We remove stains, chips, and discoloration, giving the tub a smooth, like-new finish. Ideal for upgrading old or outdated tubs without the cost of replacement. Fast, clean, and long-lasting.
